

About Us

Zhihong Technology is a professional manufacturer and exporter of full-scene commercial & contract furniture, located in Heshan, Guangdong — China's core furniture manufacturing base.

We focus on B2B global project business, providing one-stop turnkey furniture solutions including custom design, space planning, production, quality control, global shipping and after-sales service.

Different from general furniture factories, Zhihong specializes in large-scale engineering & commercial supporting furniture, serving international importers, contractors, developers and government public facility projects.

Core Business Coverage:

- 1, Office commercial space full-set furniture
- 2, Hotel & serviced apartment customized furniture
- 3, Bedroom sets
- 4, Education & school system furniture
- 5, Medical & elderly care furniture
- 6, Airport, theater, cinema, residential, restaurants, conference, sports, halls & public venue seating system

We serve worldwide business partners, supporting small mixed stock orders for distributors and large full-building turnkey contracts for construction developers and government public infrastructure projects.

All in all, we are One-Stop Full-Scene Contract Furniture Turnkey Supplier!!

轻巧的外观，便捷的设计，为繁琐的工作增添一份明朗。工艺精湛，设计独到，给您的工作带来无限激情，更为您打造时尚优雅的工作环境。

Lightweight appearance, convenient design, for tedious work to add a bright. Exquisite workmanship, unique design, bring unlimited passion to your work, and create a stylish and elegant working environment for you.

KILTER

智通

现代极简的设计理念，线条的简单流畅，其设计旨在为用户提供一个美观实用性价比高的产品。智弘精选优质材料，采用精湛工艺，在保持高品质的同时，给人一种舒适、宁静的视觉感受。

Modern minimalist design concept, simple and smooth lines, its design aims to provide users with a beautiful, practical and cost-effective product. Zhihon selected high-quality materials, the use of exquisite technology, while maintaining high quality, it gives people a comfortable and quiet visual feeling.

在简约中摆脱了繁琐的修饰，
每一个细节都是独具匠心的艺术凝聚，
光线为木纹镀上岁月光华，
材质间的碰撞雕琢出雅致的现代都市情节。

With a healthy and comfortable response
to the life attitude of office workers,
Kilter series of products adopt simple but
rich shape design, simple and concise space style,
to create a fashion atmosphere
with great visual impact.

以健康舒适呼应办公者的生活态度，智通系列产品采用简约却富有造型的设计，简约凝练的空间风格，营造出极具视觉冲击力的时尚氛围。工位搭配活动柜体设计，灵活搭配，高效便捷，时尚活动柜的立面造型，为办公室增添活力元素。

Responding to the lifestyle attitude of office workers with health and comfort, the Kilter series products adopt a simple yet stylish design, with a concise and minimalist spatial style, creating a highly visually impactful and fashionable atmosphere. The workstation is equipped with a movable cabinet design, which is flexible, efficient, and convenient. The stylish facade of the movable cabinet adds vitality to the office.

用心践行“工匠精神”造型减法，
化繁为简，工艺上追求极致，
领略极简魅力以及
超凡品质细节带来的视觉享受，
处处彰显体面。

Practice the "craftsman spirit"
modeling subtraction, simplify,
pursue the ultimate in craftsmanship,
enjoy the visual enjoyment brought by minimalist
charm and extraordinary quality details,
and highlight decency everywhere.

隐藏式走线设计，将线路完美收纳，让空间布局整洁有序，极大提升了办公效率。桌面线条简洁流畅，干净利落，毫无冗余之感，彰显出简约大气的设计风格。

The hidden wiring design perfectly organizes the circuits, making the spatial layout neat and orderly, greatly improving office efficiency. The desktop lines are simple and smooth, clean and crisp, without any redundancy, showcasing a minimalist and atmospheric design style.

TWO STYLES FREE CHOICE

两种款式 自由选择

一体式钢脚设计稳固耐用，
赋予整体造型一种现代简约的时尚质感，
为办公环境增添了一份精致与专业。

The integrated steel foot design is stable and durable,
Endow the overall design with a modern and minimalist fashion sense,
Adding a touch of refinement and professionalism to the office environment.

A 款

B 款

WISDOM

智瑞

智瑞系列脚型多样，可任意组合搭配，门字脚的干练、八字脚的精致、尽显独特韵味，每一款都充满了设计感，它不仅能够与各种现代办公家具完美融合，还能够为办公空间增添一份时尚感，成为现代办公空间的理想之选。

The Wisdomi series has a variety of foot types that can be combined and matched freely. The door shaped feet are sharp and the eight shaped feet are exquisite, showcasing a unique charm. Each one is full of design sense. It can not only perfectly integrate with various modern office furniture, but also add a sense of fashion to the office space, becoming an ideal choice for modern office spaces.

优雅的造型设计，亲和温润的木纹，不仅仅是忙碌的办公空间，更是工作闲暇之余的居所，为您的工作带来无限创意，成就自我。规整简洁的设计，强大的储物能力，智瑞在细节设计上处处体现出对人的关怀。

The elegant design and warm wood grain are not only busy office spaces, but also residences for work and leisure, bringing unlimited creativity to your work and achieving self fulfillment. The neat and concise design, powerful storage capacity, and the attention to detail design of Wisdom reflect its care for people everywhere.

极简主义有一种原始的神秘美感，真实，自由，
没有任何繁琐的雕饰，
自由的感受始终源于心的深处，
置身于完美的空间，
将所有的情绪沉浸在意象里。

Minimalism has a primitive sense of mystery, authenticity, and freedom,
Without any intricate carvings,
The feeling of freedom always originates from the depths of the heart,
Placed in a perfect space,
Immerse all emotions in imagery.

极致简约，把装饰的空间留给思考。
经典方形桌脚，与刚强的材质一脉相承，
低调中散发出稳定坚固质感。

Ultimate simplicity, leaving decorative space for contemplation.
Classic square table legs, in line with the strong material,
Low profile exudes a stable and sturdy texture.

120°开放工作站设计更加独立，适合应用于小组团队办公。它的灵活性明显提高，既拥有属于个人的办公空间，又能和团队成员便捷沟通，增强团队间的协作力度。

120° open type of working station is more independent which is suitable for group working. The flexibility is improved obviously that employees own individual working space and they can communicate with group members easily which can strengthen the cooperation among different teams.

智瑞会议桌，为满足不同办公场景和审美需求，推出门字脚与八字脚两种款式，供用户灵活选择。在设计上，该会议桌摒弃传统造型的厚重感，尽可能追求纤薄设计，以轻盈、简洁的外观契合现代商务办公的高效与时尚理念。

Wisdom conference table offers two styles of door legs and eight legs to meet different office scenarios and aesthetic needs, providing users with flexible choices. In terms of design, the conference table abandons the traditional sense of heaviness and pursues a slim design as much as possible, with a lightweight and simple appearance that fits the efficient and fashionable concept of modern business office.

门字脚

八字脚

SHARP

锐格

锐格是一款融合了现代、时尚及美观、实用于一体的现代简约家具产品。其设计灵感来源于钻石的切面，每一个细节都经过精心打磨，棱角分明，天工巧作，线条清晰而流畅，尽显高贵与典雅。

Sharp is a modern minimalist furniture product that combines modernity, fashion, aesthetics, and practicality. Its design inspiration comes from the cut surface of diamonds, and every detail has been carefully polished, with sharp edges and exquisite craftsmanship. The lines are clear and smooth, showcasing nobility and elegance.

简洁干练，张力十足，立场气派，品味不凡。

Simple and capable, full of tension, attitude, taste out of the ordinary.

多功能侧柜，合理划分使用区间，大容量抽屉，强力收纳。翻盖式线盒，采用金属磨砂表面，精致美观，配备大容量插座面板，满足多系统的用电需求。

Multi functional side cabinet, reasonable division of usage areas, large capacity drawers, powerful storage. Flip style wire box, with a metal frosted surface, exquisite and beautiful, equipped with a large capacity socket panel to meet the power needs of multiple systems.

时尚简约，轻盈灵动，
科技感与人性化完美融合。

Fashionable and simple,
lightweight and agile,
The perfect integration of technology
and humanization.

锐格系列在精准的比例设计、独特的元素运用以及多样化的材质选择上，尽显卓越品质，为用户带来富有质感的办公体验。触控式照明系统充分考虑到办公场景的实际需求，采用与自然光相同的暖光色温，通过科学的光线设计，使光线层层过渡漫射入眼，有效减少视觉疲劳。

The Sharp series showcases excellent quality through precise proportional design, unique element application, and diverse material selection, providing users with a textured office experience. The touch based lighting system fully considers the actual needs of office scenes, using the same warm light color temperature as natural light. Through scientific lighting design, the light is gradually diffused into the eyes, effectively reducing visual fatigue.

平衡办公与协作的需求，让更多人参与进来。
共享空间，个性表达，
乐于分享，高效互动。

Balance the needs of office and collaboration,
and involve more people.
Shared space, personal expression,
Willing to share and interact efficiently.

Efficient Convenient Free Communication

高效便捷 沟通自由

极简桌脚设计，
以简洁流畅线条展现出低调且专业的气质，
在满足实用功能的同时，
为会议空间营造出简洁大气的氛围。

The minimalist table legs design showcases a low-key and professional temperament with simple and smooth lines, creating a simple and atmospheric atmosphere for the conference space while meeting practical functions.

无限充电功能插座，让设备随时保持满电状态，提升了会议的便捷性与科技感，为高效的商务会议提供了有力保障。简洁的走线系统，将各类线路有序收纳，避免了线路杂乱带来的安全隐患和视觉干扰，让会议空间保持整洁有序。

The unlimited charging function socket keeps the device fully charged at any time, enhancing the convenience and technological sense of meetings, and providing strong guarantee for efficient business meetings. The minimalist table legs design showcases a low-key and professional temperament. The concise wiring system organizes various types of circuits in an orderly manner, avoiding safety hazards and visual interference caused by cluttered circuits, and keeping the conference space clean and orderly.

GREEN

格林

格林系列以白蜡原木为主要材料，优良的品质、独特的设计和实用的功能，使其充满了北欧风格的自然之美。在繁忙的办公环境中，能够带来一份宁静与舒适，仿佛让人置身于大自然之中。

The Green series is mainly made of white wax logs, with excellent quality, unique design, and practical functions, making it full of the natural beauty of Nordic style. In a busy office environment, it can bring a sense of tranquility and comfort, as if immersing oneself in nature.

简洁大方的主管空间，桌柜一体化设计，有效提升了空间利用率，使办公区域更加整洁有序。稳固的实木桌脚，敦实稳重，为桌面提供了可靠的支撑，让您置身于充满大自然清新氛围的办公环境中，在忙碌的工作中寻得片刻宁静与放松。

The simple and elegant management space, integrated design of desks and cabinets, effectively improves space utilization and makes the office area more tidy and orderly. The sturdy solid wood table legs provide reliable support for the tabletop, allowing you to immerse yourself in a fresh and natural office environment and find a moment of tranquility and relaxation amidst busy work.

当细腻的板木遇上温润的布艺桌屏，轻快又活力的办公空间，让人身心愉悦。以天然木饰为空间融入自然元素，时尚无需费力，彰显商务极简本色。

When delicate wooden boards meet warm cloth screens, the light and lively office space brings joy to both body and mind. Incorporating natural elements into the space with natural wood decorations, it is fashionable and effortless, showcasing the minimalist nature of business.

便捷取电 隐蔽走线

Easy access to hidden cable

120°台面三桌围合时,可通过三角立柱由中心点上线,三边出线,既不影响容膝空间,又能实现隐藏走线,有序不凌乱。

120° workstation can be powered through central triangular column to ensure total neatness and efficiency.

Powerd Through Triangular Column

立柱上线 三边取电

智能电力导轨上装式插座，
具备多功能插座、USB 接口等功能，
满足用户不同电子设备使用需求。

Intelligent power guide mounted socket,
with multi-function socket, USB interface and
other functions, to meet the needs of different
electronic equipment users.

格林会议桌天然木饰桌脚，巧妙地将自然元素融入其中，为商务环境增添了一份独特的亲和力。无需繁杂的装饰与刻意的搭配，便能在简约中彰显时尚气息，完美契合商务极简的设计理念，展现出专业、高效且不失格调的空间氛围。

The natural wooden decorative table legs of the Green conference table cleverly incorporate natural elements, adding a unique affinity to the business environment. Without the need for complicated decorations and deliberate combinations, it can showcase a fashionable atmosphere in simplicity, perfectly fitting the design concept of business minimalism, and presenting a professional, efficient, and tasteful spatial atmosphere.

Wrie screen, simple and bright appearance, multi-form office space, adapt to different space size planning, one screen apart, not only meet the private independent office space, but also realize the rapid response of team sharing. Relaxed and happy office, create infinite possibilities.

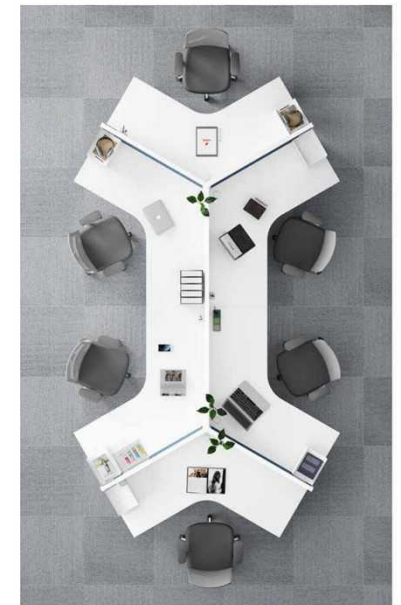

屏风设计巧妙划分办公空间，既保障了个人工作的专注性，又营造出和谐有序的办公氛围。依据不同工作需求，自由组合成形态各异的工作站，兼具美观与实用。

The screen design cleverly divides the office space, ensuring personal focus and creating a harmonious and orderly working atmosphere. According to different job requirements, freely combine workstations of various shapes, combining aesthetics and practicality.

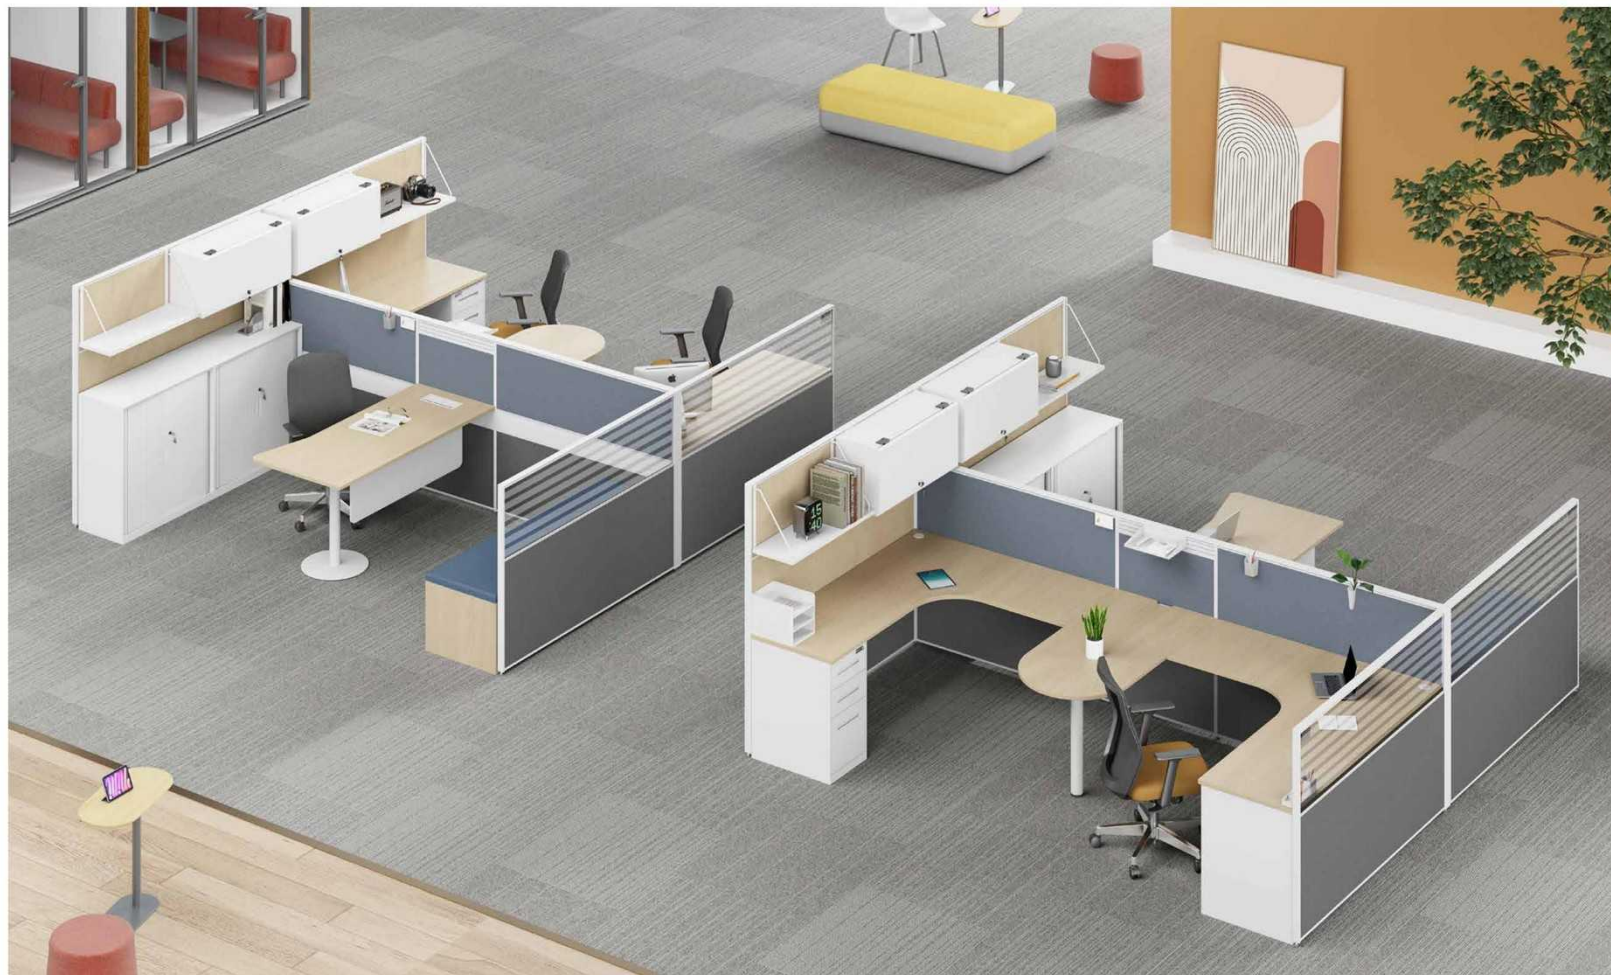

CONVENIENT EFFICIENT&HEALTHY

便捷、高效、健康

来到全新的时代自有全新的期待，以一屏兼容洽谈，专注协作等多元办公模式，强大的供电能力线上、线下的沟通距离，走在时代的前沿，超越空间的局限。

Entering a new era has its own new expectations. With a variety of office modes such as one screen compatibility for negotiation and focused collaboration, powerful power supply capabilities, online and offline communication distance, we are at the forefront of the times and beyond the limitations of space.

灵活的组合形式，
不同材质的自由搭配，
让整个职员空间具备丰富的表现力。

The flexible combination form and the free
combination of different materials give the
entire staff space rich expressiveness.

Flexible

Diverse combination methods

隔断空间设置的屏风工作站，更具私密性和隐蔽性，独立办公成为主要工作模式，不受外界干扰，可更专心工作。

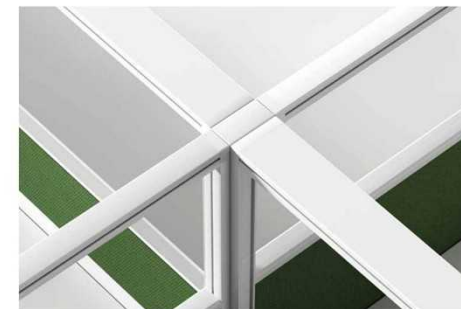

Screen workstations set up in partitioned spaces provide greater privacy and concealment, with independent work becoming the main mode of operation, unaffected by external interference, allowing for more focused work.

静下来，专注地沉浸于自我的沉淀，向内探求自我价值的构建。独立办公以屏风为隔，于嘈杂之中觅得一方宁静，于混沌之中保持头脑清醒。

Calm down, focus on immersing yourself in self sedimentation, and explore the construction of self-worth internally. Working independently with a screen as a partition, finding a peaceful place amidst the noise and maintaining clarity of mind amidst the chaos.

半封闭型的工作站能增加办公的专注度，
并带来较为私密的空间，
让员工在相对安静的环境中进行工作。

A semi enclosed workstation can increase the focus of office work,
And bring a more private space,
Allow employees to work in a relatively quiet environment.

密集型卡位式屏风工作站，在空间中营造一种灵动的韵律美感。屏风卡位设计注重隐私、隔音效果好，形成独立小空间，不容易受周围影响，工作更专注，效率更高。

Dense card slot screen workstation creates a dynamic rhythmic beauty in the space. The design of the screen slot emphasizes privacy and good sound insulation, forming an independent small space that is not easily affected by the surroundings, making work more focused and efficient.

升降桌的加入，打破传统办公的局限，轻松自由切换坐立姿态。

The addition of adjustable desks breaks the limitations of traditional office work, Easily and freely switch between sitting and standing postures.

合理休息 & 健康办公

Reasonable Rest and Healthy Office

充足的睡眠能为人体提供良好的休息，使员工在工作时更具活力，显著提升工作状态。我们结合员工卡位的空间特性，配置可拉伸、卧躺的折叠床，给予员工充足的休息空间，让员工以更好的工作状态应对繁重的工作。

Adequate sleep can provide the human body with good rest, making employees more energetic during work and significantly improving their work status. We combine the spatial characteristics of employee card slots and configure foldable beds that can stretch and lie down, providing employees with sufficient rest space and allowing them to cope with heavy work in a better working state.
