导医台

Medical guidance table

导医台和护士站是医院展示服务形象的重要平台，其家具布局的合理性不仅展现医院的优质服务和内涵文化，更能提升医院的服务品质，改善患者的就医体验。

HEALTHCARE SPACE

Medical guidance desks and nurse stations are crucial platforms for hospitals to showcase their service image. A rational layout of Zhihon's furniture not only demonstrates the hospital's quality services and cultural connotation but also enhances the quality of hospital services and improves patients' healthcare experience.

候诊区

Educational Furniture Catalog

候诊区域是医院公共空间的重要组成部分，既是医院形象展示窗口，也是家属与患者等候的核心场所。我们从功能角度、患者心理等多维度，打造舒适安心的疗愈环境，构建集舒适、健康、温馨为一体的高品质公共空间。

HEALTHCARE SPACE

As a key component of the hospital's public realm, the waiting area embodies both the hospital's image and a sanctuary for patients and families awaiting care. We integrate functional needs with psychological insights to craft a comfortable, reassuring healing environment. The result is a premium public space that seamlessly blends comfort, wellness, and warmth.

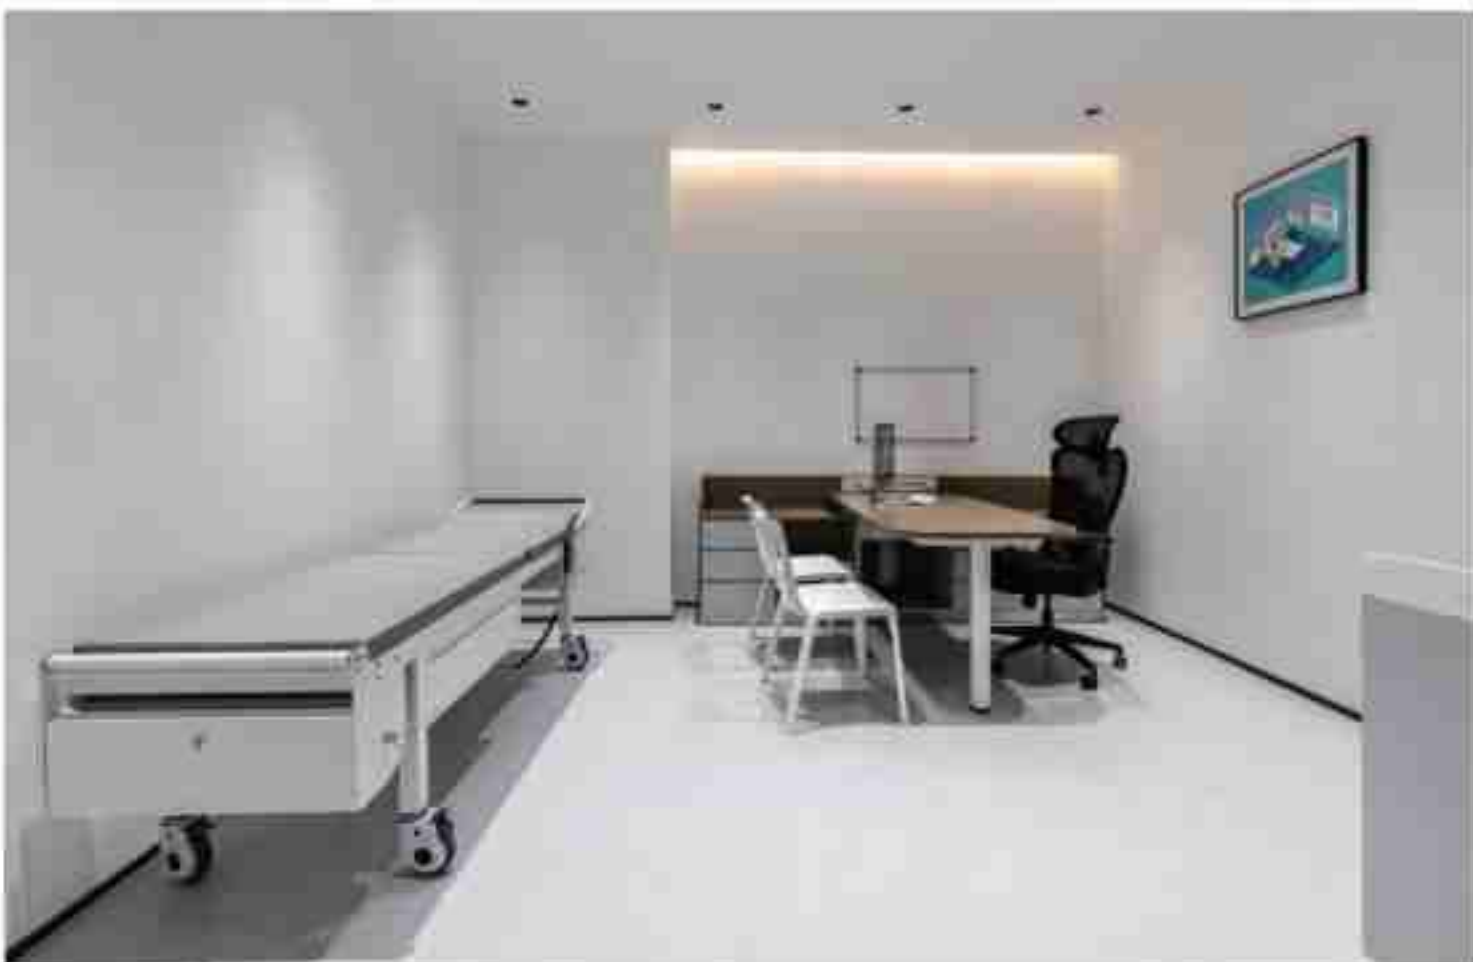

诊断桌

Diagnostic table

智弘诊断桌以现代简约风格为主，钢木结合，注重品质感。以科学布局适配医生诊疗操作习惯，打造舒适高效的工作环境，实现患者就医体验与医护工作体验的双向提升。

儿童空间

Chinese & western medicine

打造童趣化诊疗空间。我们将儿童诊疗区精心营造为欢乐温馨的游乐氛围，充满童趣的座椅能很好地缓解儿童对医疗操作的陌生感与恐惧情绪。人性化温暖设计让孩子在轻松环境中接受治疗，哭闹与焦虑明显减少，提升配合度、加快康复进程。

We create a child-friendly diagnosis and treatment space. The pediatric treatment area is carefully designed to deliver a joyful and warm playground-like atmosphere. The playful seats effectively ease children's unfamiliarity and fear of medical procedures. With humanized and warm design, children receive treatment in a relaxed environment, which significantly reduces crying and anxiety, improves cooperation, and accelerates recovery.

HEALTHCARE SPACE

输液区

Infusion area

输液大厅作为医院重要服务窗口，具有患者流量大、病种繁杂、输液药品多样等特点，环境与布局力求整洁有序、舒适温馨。成人输液沙发与儿童输液沙发，人性化坐感设计，有效舒缓患者情绪，提升就医舒适度与诊疗体验。

成人输液区 Pediatric transfusion area

儿童输液区 Adult infusion Area

HEALTHCARE
SPACE

As an important service area of the hospital, the infusion hall is characterized by high patient flow, a wide variety of conditions, and diverse infusion medications. Its environment and layout are designed to be neat, orderly, comfortable and warm. The infusion sofas for adults and children feature an ergonomic design that effectively eases patients' emotions, improving medical comfort and treatment experience.

实验室

Chinese & western medicine

医院检验科是连接临床与实验室的桥梁，通过精准的实验诊断技术为临床治疗提供科学依据，对提升医疗服务质量和效率具有不可替代的作用。选用抗菌易洁、环保耐用的高品质材质，打造洁净安全的检验环境，兼顾使用体验与运营成本优化。

As a core hub linking clinical care with laboratory testing, the hospital laboratory delivers accurate diagnostic insights to underpin clinical decisions, fundamentally elevating service quality and operational efficiency. Crafted with antibacterial, easy-to-clean, durable and eco-friendly premium materials, the space achieves a pristine, safe environment—balancing superior user experience with optimized operational efficiency.

治疗柜&处置柜

Treatment cabinet & Procedure cabinet

根据空间的大小和使用需求，可以有不同柜体的组合方式。柜体采用电解钢板，经久耐用不易变形；操作台面采用医用级人造石，防酸耐碱防渗透。柜门搭配优质五金门铰、静音滑轨，使用寿命更长。隐藏式走线设计，方便后期走线维护改造。

HEALTHCARE SPACE

Tailored to spatial dimensions and functional needs, our cabinetry offers flexible configuration options. Constructed with electrolytic steel plates, the cabinets boast exceptional durability and deformation resistance. Medical-grade artificial stone countertops deliver superior protection against acids, alkalis and penetration. Fitted with premium hardware hinges and silent sliding rails, the cabinet doors ensure long-lasting performance. The integrated hidden wiring system simplifies future maintenance, retrofitting and wiring management.

HEALTHCARE SPACE

病房 Ward

病房是患者康复的核心空间。智弘病房家具采用洁菌面料与银离子抗菌技术，有效抑制细菌繁殖，打造洁净安全的休养环境，为患者提供舒适安心的医疗体验，助力康复。

Wards serve as the central hub for patient recovery. Zhihon's ward furniture features antibacterial fabric and silver ion antimicrobial technology, effectively suppressing bacterial proliferation. We design a pristine, secure healing environment, delivering a comfortable, reassuring care experience that accelerates patient recovery.
